

# PollinateTO

## Community Grants

## Create pollinator habitat in your community!

Native pollinators, such as bees and butterflies, are under threat from habitat loss, climate change and other stressors.

You can help!

**Grants of up to \$5,000 are available to support community-led projects that:**

- Create pollinator gardens and rain gardens
- Enhance or expand existing gardens with pollinator-friendly native plants

Interested groups and organizations are encouraged to submit an application by May 1.
