[Health Access St. James Town](#), was able to cater to the needs of 18 high need clients and the team made 8 home visits for residents who cannot leave their homes for different reasons.

Outreach

In the month of October outreach activity took a hit due to lack of volunteers. Only 5 outreach activities were conducted compared to 18 last month. 6 new clients were processed through outreach.

The Corner's social media channels showed steady growth with 16 new followers on Facebook. The Corner's Instagram account has been revived after being dormant for a long time.

Community Engagement

Newcomer welcome day, a event for connecting newcomers to different services was organized on the 18th of Oct. The event was organized at 545, 555, 565 Sherbourne street.

The **240 Share and Reuse Space** is getting a long due makeover. New shelves are being put up along with new tools for training from Milwaukee tools will be installed too. In the coming days efforts will be made to animate the space into a friendly and comfortable space for residents to use.

The 2019 **In-house partners meet** was organized on the 11th of October. The annual meeting is an attempt to keep all the service partners at The Corner updated on the developments at The Corner and the neighbourhood. Representatives of 15 organisations attended the event.
