

We Asked, You Answered!

St. James Town Community Corner 2017 Services Evaluation

The Corner is a community hub where people from St. James Town and the surrounding areas walk in and access services.

Services and programs are provided by several partner organisations as well resident volunteers from the community.

The services provided at The Corner include one-on-one services, group programs, and computer, printing, phone and fax services.

Purpose:

Assess and evaluate client satisfaction with regards to services at The Corner.

Evaluation Period: June – Sept 2017

No. of participants: 87

Method:

Evaluation survey questions were created by members of operations team, and reviewed and approved by management.

Survey consists of:

- Eight (8) questions
- Two (2) yes/no questions

- One (1) question to rate the service received at The Corner on the day of survey
- One (1) question to identify new or regular clients
- Two (2) questions to collect suggestions and preferences about The Corner
- Two (2) questions to rate the services provided by service providers
 - One-on-one service
 - Group program
 - Front area services
