## Testimonials on Social Media

A while ago , I was in need of emotional support . Life is very tough sometimes . I was lucky enough , very lucky to be introduced to a social worker who helped me immensely . While I'm in a better place now , this would not have been possible without the help of a TCHC staff member and a great RSW at the community corner .

The services made available by the good people of the " Corner " is a real resource for us all. – **Dudley Rathborne on Google Review**
